

My exchange in HALIFAX

I went on exchange to Halifax (Canada). I took the plane on March 23th , my correspondent is Meghan. She has a little brother Sean, and her mother and father are Catherine and Marc. They were really welcoming and nice with me. It was a wonderful experience for me because I always dreamed of going to Canada. I played lots of Canadian famous sports like curling, ice skating and also baseball. I went to Montreal for 5 days in Meghan's grand parents' home. I loved Montreal because it's a lively city and there are lots of buildings, shops and there are lots of churches. I visited some beautiful places, especially Peggy's Cove, it's a famous headlight in Nova Scotia. In summer lots of people come to Peggy's Cove and lunch on the rocks. At night, there is a beautiful sunset. For me, this exchange was a good thing, very interesting. Now, I understand easily when I hear someone speak in English or in a song.
