

My trip to Seattle

My name is Juliette and I would like to talk about my amazing trip to the city of Seattle and the state of California. It was my dream to go in the United States of America for my first trip on my own and thanks to the Sacred Heart school I was able to find this incredible exchange program.

I stayed at Emelia's house for three weeks, the first week was a vacation in California and the two last weeks were spent in school in Seattle. During my first week in California I discovered a ranch, the city of Hollywood and Beverly Hills in Los Angeles, Clairemont, National Tree Park, Hilligton Beach, Disney Land ... Then I had to go to school with Emelia. There are many differences with the french school system. There are fewer students in each class, classes end earlier, and students have more freedom...

My english was very bad in the beginning, but it didn't matter because I was in total immersion in an english speaking country and I have progressed very much during my time there.

Two months later Emelia came to France for three weeks, we visited Mont st Michel, Paris, Amiens, Lille... And she came to the Sacred Heart with me. She followed my lessons as well as my life during 2 weeks, it was very interesting for her. Finally we both learned about our lifestyles during this exchange.
